Entire cast

What do you say in a time like this? Words cannot express how thankful I am that I was blessed with the opportunity to teach dance here in Dakar. I have made so many new friends and been able to teach my love for dance to a whole new group of children. None of this could have been possible if I had not had the support of all of you.

And for my students . . . I will miss all of you so very much and regardless of where the winds may carry you I hope that you all choose to keep on dancing.

May our paths cross again.

Miss Tif
